James Graham Brown of Wallaceburg passed away peacefully at the CKHA-Sydenham Campus on Friday, March 26, 2021 at the age of 94. Jim is the son of the late Newton and Mabel (Sauders) Brown. Predeceased by his beloved wife Doris in July of 2020. Loving father of Michael (Kathleen) and Richard. He was a family man who took great pride and interest in his grandchildren and great grandchildren. Growing up in Corunna, he was a member of the Corunna Giants baseball team, winning several OBA championships. “ I remember my father taking me in to meet the “bank” manager, aka Mr Brown when I was very young..who knew that I would work for a bank later in life. Even though the years had past, he never forgot my name, saying hello Donny with his greeting. He always had a smile! Condolences to the family and may he Rest In Peace!!

“ I can't stop crying!! I knew Doris and Jim when they came several times into my sewing workshop in Wallaceburg to have repairs and alterations made to various clothing items. What wonderful people they were! When I read Jim's obit in the current Courier Press, I was immediately going to pick up the phone and call Doris to see if I could come and visit and bring her flowers, and then I was devastated to read she was already gone, last year! I didn't know... so very very very sad!! They were such a loving couple, and obviously doted on each other. Doris was an angel, and Jim was her devoted guardian. The last time they came in, Doris The Stoic was obviously in pain as a result of a recent auto accident, and had difficulty navigating up and down my front steps. It was with Jim and Doris in mind (plus other aging and physically challenged customers) that, when I had a new porch constructed, I decided to make my steps wider and shallower. They will never have a chance to try them out! I guess it was soon after Christmas 2019 I last saw them, when they told me they had better get those pants altered that Doris had received from her son for Christmas, before he came for his next visit! Doris and Jim Brown will forever be in my books as two of the nicest people I ever met. I share the grief of their family. Brenda Neufeld, May Clark Originals, Wallaceburg.

“ Awww, so very sorry to hear of Jim's passing.... such a wonderful Man. He and his wife used to come in Giant Tiger when a I worked there, what a beautiful couple they were! Whenever I ran into him after that, he would always stop and chat with me for a while...give me some helpful hints on my golf game ! 😊 I knew he was an avid golfer, and we used to joke around. . .Jim, such a nice Man who really touched my HEART ❤️
My sincere and deepest sympathy to his loving family. . . Rest Peacefully Jim with your beautiful wife 🕊️❤️💜💙🕊️

“ I have known Jim almost all of my life. Mike and I used to venture down the long dark hallway in their basement that led to "Fort Knox" on the other side - The Lambton Loan. We never got to the other side of the door.

Years later Jim gave me my first car loan and later a mortgage. Although we went through all of the formalities, I think the loan was approved almost before I asked. Who knew Jim would later become a customer of mine right up until the present. Always enjoyed his visits to the office as we took time for a chat.

To Mike, Richard, and family please accept our deepest sympathy in the loss of a wonderful man.

“ I have known Jimmy Brown for years .
He handled our mortgage way back when in 1970. He was such a good common sense professional.
We swam many time in the early morning with Jim and his wife at the Oaks.
He was a great walker , so many times I would see him walking. We stopped and reminisced and talked. He always had time and was sincerely interested .
Jim was truly a people person and a great guy.
He will be missed.
Our sincere condolences to Jim's family and close friends.

You listened enthusiastically and had nothing but time for friends and family. Jim was the person who hired me for the position of his personal secretary back in 1974. He was in my opinion a very admirable man. He was certainly a well liked man and people person. He gave my husband and I the opportunity to buy our first home. Doris and hisself were well liked and always had a kind word to say in later years when we would meet at the grocery store or out and about at the coffee shop. Thunking about Rick and Mike and family at this time.
