

Jim Kitchen

March 8, 2020

James Robert 'Jim' Kitchen, a resident of Tupperville, passed away peacefully and surrounded by his family at the CKHA – Sydenham Campus on Sunday, March 8, 2020 at the age of 74. Jim is the son of the late Garnet James Kitchen & Ina Elina Kitchen and loved son in law to the late Rev JW Fletcher and Phyllis Fletcher. Beloved husband of Judy (Fletcher). Loving father of Kristy Toulouse (Dave) and Karen Miller. Awesome Papa to Meg, Luke and Kennedy. Jim 'MacGyver' Kitchen had retired from the Imperial Oil Refinery in Sarnia. He loved Bluegrass music, tractor pulls, his Mini Cooper S and most of all his grandchildren. He was the kind of papa to teach his oldest granddaughter to drive stick shift on the mini, attend and watch hockey and baseball with his grandson and next day go watch his youngest granddaughter perform ballet. The family will receive relatives and friends at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg from 2-4 & 7-9 PM on Friday. The funeral will be celebrated at the funeral home on Saturday, March 14 at 11 AM. Entombment in Dresden Cemetery at a later date. If desired, remembrances to the Canadian Cancer Society, the Humane Society or Zion Free Methodist Church may be left at the funeral home 519.627.3231. Online tributes may be left at www.CavanaghFuneralHome.ca

“ Condolences to the Kitchen Family. Very very Sad to read. Working with Jim at IOL was a privilege. Jim was one of, if not, the most Positive individuals I worked with. Rarely if ever did Jim not come up with an idea, suggestion or recommendation to tackle whatever we faced, and was always done with a “SMILE” !
Ken Wood said it best ! When the chips were down and we needed help at the refinery, “Jim Kitchen” was always a “Go To Guy” !
RIP James !

“ *My condolences to Jim's family.
I worked with Jim for many years and learned a lot from him. Jim always had a positive attitude and he always had stories to tell. After we retired, we got together for breakfast in Sarnia a few times a year. It was always nice to talk to Jim. He will be missed.*

“ *Jim was surely one of the guys the Refinery Shift Supt. could count when there was an issue to repair. I wasn't aware of his "MacGyver" handle but it fit him well. Gone too soon, RIP Jimmy.*
