“ Jimmy was a Icon of the wallaceburg community I will always remember him riding the street with bag full of ball and bats in the front carrier of his bicycle. or pumping gas at the Supertest station with a grand smile and a pleasant greeting

“ I have many great memories from knowing Jimmy over many years. He will be greatly missed. I am sure he is enjoying a hamburger and showing that great smile off.

“ I lived next door to Jimmy while growing up. My Mom Martha Louzon used to watch out for him when Verna was not around. Kind soul and very independent. Rest in peace.

“ *Donna and Linda*  
*I was just out to see Jimmy last Wednesday. He was sitting in his room talking to the budgie birds. I was actually able to talk to him for a few minutes. I was so happy to actually see him sitting up and after hearing this news today, glad that I had the chance to talk to him. Thinking of you and your families at this time. Peggy Brown*
