“ *Joan and Jack were beloved family friends and such wonderful, caring people. I was just marvelling over a beautiful sweater she had knit for one of my kids when they were little, one that I'm now getting ready to pass down to my first grandchild. I always looked forward to Joan and Jack visiting my parents when I was little. They were incredibly kind and very funny. Such generous, community-minded people. Holding a grateful, loving space for them both as they're now reunited. - Susan Southern Braiden.*

“ *I remember going to the Port Lambton Library as a young child getting my first library card from Mrs. Adamson. She always had a big smile for everyone. She's a Port Lambton icon.*
