“ Joan was a long time friend of my parents Charlotte and Alfio. My mom is grieving the loss of her in a big way. I will always remember the many visits of Joan and Colin coming to our house and hearing her laughter ring through the house, or going out to see Joan and Colin at their house with their dogs when I was just a little girl. She will always be remembered fondly by my family and her memory will live on in our hearts. Our deepest sympathy to you Tracey and to Colin and the family.
