

## John Gonyou

April 28, 2026

John Brian Gonyou of Wallaceburg passed away suddenly on Tuesday, April 28, 2026, at the age of 73. John is the son of the late Edwin & Doris (Green) Gonyou. Devoted husband of 49 years to Janice (Murphy) Gonyou, and loving Dad to Stephanie Perez (Danny), Kristin Steinke (Darcy), Heather Vogt (Shawn), and Dan Gonyou (Kailey). Dear Papa to Jaslyn, Ethan, Danika, Summer, Hadley, Weston, Jackson, and Sawyer. Brother of Marilyn Clauws (the late Gord) and the late Karen Denomey (Keith [Sandra]). He leaves behind his faithful pups, Jake and Kaci and kitty Maddy.

John farmed in Lambton and Kent County alongside his dad, Ted, and his son, Dan. Professionally, he worked as a land surveyor for David McGeorge and, most recently, with Monteith & Sutherland. Although he never fully embraced retirement, he made time for each of his kids and grandkids. He loved watching them play baseball, taking them fishing, and going for tractor rides on the family farm. When his kids were young, he enjoyed camping and being outside by a fire. He loved hunting, fishing, and the Blue Jays, but most of all, his family and friends. The farm he loved is our gathering place—he worked the land here, raised his family here, and built a legacy here to be proud of. A fitting farewell was to leave this world from here, too, surrounded by all that he loved. He will be forever missed.

Family and friends are invited to gather for visitation at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg (519-627-3231) on Tuesday May 5, 2026 from 5-8pm. If you wish to make a donation in his

memory, please consider CKHA Foundation – Sydenham Campus. Cherished stories and tributes may be left for the family at [www.CavanaghFuneralHome.ca](http://www.CavanaghFuneralHome.ca)

“ Gonyou Family

*Deepest sympathy to Janice and family on the loss of John. I worked as the admin with John at David McGeorge's office for a space of time in the 80s. He was a kind man who helped me acclimate to the language of OLS and often spoke of his family. The love he had for all of you was very evident. During this sad time may you draw strength and comfort from friends who love and care about you. Cherish the wonderful memories you have of the happy times. You never know the value of a moment until it becomes a memory.*

“ John and I were cousins and grew up on farms about a mile apart. Although we went to different churches and schools, we got together for fishing, playing ball and time at their cottage during our school years. Good memories of growing up. Our careers separated us after school and our contacts were generally limited to family gatherings and working on the family history. Always enjoyed our times together and wish they had been more frequent. May your family and faith help you in this time of loss. Harold Gonyou

My sincere condolences on the passing of my Ted's friend, John. I was shocked to hear the news of John's passing. John and Ted worked many years surveying. Ted spoke very highly of John. John helped me with advice on the surveying of my property after my Ted passed, too. He was a friendly, kind and helpful person. He will certainly be missed. We grew up running down to Uncle John’s to hangout in the barns, picking apples on the trees out front, getting a ride in a tractor. We’d watch for your tractor during planting and harvesting season and wave. Getting to bring my own little guys down to see all of the tractors and catch a ride was so special. You will be so missed, and thought of every day by the people who are so lucky to have loved you, and been loved by you. I’ll always look for you in the fields* 🍏💚

“ Dearest Janice and family. John holds a very special place in our hearts, sharing a cup of coffee around the kitchen table, in the bush or basement, warming up as they ate lunches during local hunts. Or at the kiddos archery training a LOT of years ago. Bunny hunting with the beagle, boys and fun in the bush. So many memories, just not enough time to make more. He always had a smile, word of encouragement, listening ear and a box of turtles. Sharing hunting stories and farm news, figuring out what Lloyd and Ted would say about how farming is going now days. He always brought grandkids to see the cows & calves or maple syrup. His impact in Bruce's life especially will never be forgotten. He is very missed. You all are in our thoughts and prayers, asking God to comfort, help and strengthen you as you sort through how to move ahead. Love and prayers Bruce and Cathy
