“ We first met John nd Rose 25 years ago on a trip to Cuba. We had chatted on the bus to our resort and later John joined us for a drink near the pool while Rose was unpacking in their room. I still recall John saying that Rose was a “beautiful person” and I thought how nice it was that he was speaking highly of his wife. It showed his love and respect for her and it was heartwarming. We became great friends during that trip and had so much fun together. It was the beginning of a wonderful friendship that continued to grow. John was a down to earth guy with a great sense of humour and we became very special friends with them. We will miss our dear friend. Rest in peace John. Until we meet again....Helen & Lloyd, Scott & Travis
