“ *It is to this man, John Terhorst, and his wife, Everdina, who I must give credit for the saving of my life. May God bless both of their souls! It was sixty years ago to the month of John's passing when they heard the frantic cries for help from a 7 year old boy who had broken through the ice of the Sydenham River near their farm in Sombra Township. I will always be grateful to this couple and how God was able to use them. My wife and I both extend our heartfelt sympathy to John's sister, Hannah.*
