*Jonathan was such a wonderful young man. From such a beautiful and devoted family. So very sorry for your huge loss and am even more sorry that I missed his service. May you find comfort knowing that I am here, and that you know you are not alone. Even though it may feel like you are from time to time. Very Warmly,

“ *Jonathan was a student in my math class at Lambton College. He was an excellent student. He knew his stuff PLUS he was a super helper for others in the class. He came into the college after losing his job -- he was devastated by that. I am very sad about the loss of a very good man. I wish the family well in this sad time.....*
