“ *There are no words for this... Jorge was truly a remarkable man... Always friendly and hospitable, yet also so humble. I can't remember how many barbecues he invited me to... His love for Grace was inspiring for all. This is what fairytales describe as "true love", and "prince charming and the princess". Jorge was also the coolest dad one can ever imagine. Peter, Paul and Sofia can witness for that.*

I'm grateful to have known Jorgey, and I could call him "brother". He is a great loss for everyone who knew him, especially his wonderful family...

Jorgey, may you rest in peace and intercede for Grace, Peter, Paul and Sofia with the heavenly Father... You are truly missed and you always will be...

My sincere condolences to you, Gracey, Peedee, Pauley and Sofia...

“ Jorge Cunha was one of the he most joyous and caring people I know! His death took as all by surprise and was taken from us too soon but, God has a better plan for him. Rest in Peace my dear cousin.. I know we will all be together in the resurrection. This is not a goodbye but a see you soon.

I will always cherish the memory I have of you, Jorge, being a loving father and husband. You loved your family so much you decided to be fit and healthy. I will always remember your new dedication to running and improving yourself. Always with a smile on your face. Always. Your eyes always shined with kindness and positivity. I know you have and will continue to inspire many, I know you inspired me. Not only to want to improve my health, but your relationship with Grace after so many years, is what I want with my husband. The magical spark was visible to all. The way you educated my primos, made them the caring responsible adults they are today. I hope I will raise my son the way you both raised your three children. You were also a great son, brother, uncle, cousin and friend. I know you were even a good stranger because just your smile lighted up a room! I Know your life on earth had a mission and you did make that difference. I promise we will always be there for my lil primos and for your loving wife.

One of my greatest memories is how he would surprise visit us when I lived in Portugal showing that he was very outgoing and spontaneous and how much he loved and enjoyed all of his family. This is the image of you that I will always cherish and you will be 4ever in our hearts and prayers... see you soon primo <3 love Sandra, David and Lucas.
