*Awesome video...I remember Joey visiting the National Native Bible Collage in 1981. I was just 19 year old kid and I was impressed with his preaching. He and his brother Larry were inspirational to me. Now I'm 60...and a preacher too thanks to Joe's life.*

“ I came to the prayer camp meeting tent, asking Pastor Joey to pray for my healing, and he did pray. I let him know that I was healed! I was carrying my daughter with my left arm, and my wrist was really sore. I had numerous times of being healed by God for different things, but this is my memory of Pastor Joey. I loved the times of services that I would listen to him preach and teach Bible study. I talked to him about church leadership, and he encouraged me to serve at WEIC. I moved off reserve, but I did serve for years in ministerial, ushering, and choirs. I appreciate the families of the Pastors at WEIC from Lennox to Joey. The Evangelists and musicians helped my spiritual growth as a very strong foundation for my spiritual walk in Christ. I never forget the times of fellowship at the church, Bible studies, and the cook outs. I loved the revival tent meetings on the Island, and thank all who gave testimonies. I am a trained minister. I started an online ministry page called 'Frontline Visionary,' which changed over to 'Above Thrones International.' I know that without their excellent leadership skills and love for Jesus I would not have made it. I am extremely grateful for the faith, as I have been able to withstand so much that has challenged me. I am an OVERCOMER, and when I do preach online, I give honor to all of the pastors, which includes Pastor Joey Gilbert. I ask God to acknowledge the gifts that he shared, time spent on the studies, and ability to effectively share it with us throughout the years at WEIC. He took a risk on investing as a Chief, and I am thankful for the courage. I appreciate him sharing the pursuit of land claims for our Island while we were in service. He spoke on a trip to Africa, and I hope that his eternity is a very special love in God as that country may be to people on earth. He preached with his heart and soul for people to be saved, love God, and to fellowship. Honor and peace to his family. Comfort to his friends and encouragement to the congregations.

“ Obviously I was not close to Joey since I only now have found out of his passing to glory. I have had he and some other saints from the past on my mind and wanted to reach out to him as to where certain people were and how God was busy on Walpole Island these days.

Joey came to my church many years ago in Orangeville when I asked him to speak and I have always held him , now his memory, in high esteem. God has such a wonderful cadre of Brothers and Sisters serving Him , faithful in ministry and helps , and i always knew he was one of those.

So sorry for those loved ones he left behind , but they will be well rooted in God. As for Joey we all know where he is and how much better that place is and will be for those who know Jesus.

Blessing to Walpole Island . 20 to 40 years ago I felt very close to people there . I find I often think of that time and pray for the people there now.

“ Dad, not a day goes by that we don't think of you, we love and miss you so much!!! Thank you for everything you've given to us all, you're the best father-in-law anyone could ask for..... Our long living joke about being each other's favourite now stands forever!!! I'm so glad to have shared the life we did together and for all that you've taught me. Whether we know it or not, you prepared us for this in a round about way. In ceremony I feel you present and see you and talk to you in my dreams. Thank you for continuing to guide me and my children through what we call life! Love you forever and always!!! ❤️❤️❤️❤️

“ I recall listening and watching brother Joey preach and as a young man I was amazed with the truth and the heart he really had for our people across North America to this day I recall his ability to draw you to God...both he and his late brother Larry have left a huge foot print in my life and in our Piikani Nation community...one day God will grant us with these men of Gods presence and it will be truly a Gilbert family reunion once again, my prayers are with his children of whom I can vaguely remember as we were all very young at the time...Prayers n condolences 🙏🙏

“ Beautiful memories of Joey and Sharon and family during numerous meetings in Piikani and Browning. Lot of laughter and good times of fellowship. Bro Joey was an unique and gifted minister; his ministry impacted many people and we are blessed to have had visited with him in other areas. Deepest condolences to Sharon, Gaylynn, Sondra and Jeremy along with grandchildren; our thoughts and prayers are with his remaining siblings. The body of Christ has suffered a significant loss; however, it is time the privileged ones who sat under his eldership and training rise up proclaiming the goodness of Christ. Rod and I will be thinking of you all during this last journey with Joey on earth; he is now surrounded with a great cloud of witness. What a celebration there is in glory....blessings to all

Harland  
Joseph

“ I didn't get a chance to visit with Joseph before his passing, although I wanted to. He needed rest, he needed to be with his family. But if I did make it to visit him, it was only to tell him one thing "Thank you Joseph for giving to the Lord...I am a life that was changed!" Many, many people from around the world were impacted in some way by Joseph, and I am one of them. I have had the privilege of calling Joseph, his brother Larry and Lennox Taylor "my pastor" in the years I spent growing up at The Walpole Island Evangelistic Centre. The impact Joseph and these men have had on my life is profound to say the least and that impact does not end with me. Now, as a young Pastor myself, the impact Joseph and these men have made in my life is now rippling through the peoples lives of the church I Co-Pastor, the youth and families of the Youth Ministry my wife and I run and everyone I meet. To Sharon and the children, I want to thank all of you as well for giving to the Lord. You shared your husband and father with me...I am a life that was, is, and forever will be changed. From my family to yours, thank you so very much. Our thoughts and prayers are with you. And to my brothers and sisters at the Walpole Island Evangelistic Centre who are mourning the loss of a dear Pastor and friend, our thoughts and prayers are with you. "Well done my good and faithful servant" is something that is often quoted at times like these and Joseph surely is well deserving of such a quote. But He also gave us the right to be called sons and daughters, children of God. And with that, I believe God would say, "This is my beloved son, Joseph Gilbert, in whom I am well pleased". My father recently passed. I can picture him grabbing Joseph's hand and running towards God like little children at an amusement park. Both of them, so full of joy and with great big smiles on their faces as they run towards God. My dad, yelling at the top of his lungs "Daddy, Daddy, look! My brother is here! Joseph is here!"

Sincerely,

Harland Joseph
