“ I am so sorry both your Dad and Mom have passed however they left together as they had lived. Your Mom was my Aunt Graces' daughter. The videos showed how a close family you are. That's the best tribute you can give to their memories.

“ *Kevin, Lisa, Eric, Troy and the whole Babcock family, There are no words for the colossal loss you and the family have experienced this summer. While your hearts heal and you work through the grieving process, please lean on me and all those who love you to get you through this difficult and sorrowful time. I suspect Jack's heart wanted to follow June's heart in life and in death as their hearts obviously belonged together, forever and beyond. Sending my deepest sympathies and love, Colleen Charlton and family.*
