“ A lady with class and style, who made everyone feel so welcome. Coming from miles away several years ago, John and June allowed us to use her camper trailer with all the amenities. I will never forget the kindness and thoughtfulness of making my time in Canada a memorable one. Thoughts are with John and the broken hearts of everyone that has surrounded June for so many years. R.I.P. dear June. Hilda (PAT) Hooper, Netley U.K.

“ Was privileged to meet June as a client at my job. Immediately loved her. June always remained pleasant, kind & had a smile & kind words despite the discomfort she was in. So sorry to hear of her death but believe she is in a much better place. Rest in peace June. Blessings to her wonderful family.

“ I have wonderful memories of June and I sitting on her deck at her and Johns trailer at "Our Ponderosa" drinking coffee, talking about how much she loved babysitting, her dogs, and little Chrissy getting bigger year after year. She was surely the nicest and sweetest lady, she will be missed by many. Take comfort in knowing that she will live in your hearts and watch over you forever. I will cherish her memory always.
