“ When Justin was just a baby Deb & Rick were our neighbours & would come for a visit. We had a little dog then, Reggie. He kept taking Justin's soother & would walk around with it in his mouth. No matter how many times we took it away from him he kept taking it from Justin. So, we had to buy Reggie one so he would leave Justin's alone. It was really cute to see our little dog & Justin sucking on their soothers together. I hope this will bring a smile to your faces Rick & Deb. Love you, & may Justin rest in peace.

“ Debbie, Richard, Hollie and Ashley I am so very sorry for your loss. Justin was just awesome. I didn't have many friends when I was little but Justin didn't care what the other kids thought about me. That gave me strength. He just wanted to have fun and didn't concern himself with labels. He wasn't afraid to tell people that either and I'll always love him for it.

“ Ron & I are so sorry to hear of Justin's passing. Our deepest sympathy to all of his family. It's hard to wrap our heads around this one. We've known Justin since day one, what a great little boy he was. I remember you bringing him to our home for a visit on Albert St. & our little dog Reggie kept taking Justin's soother and sucking on it, no matter how many times we took it away from him, he kept taking it from Justin. We had to get Reggie his own soother so he would stop taking Justin's. We have some very cute pictures of Justin. We're still in Florida but we send you our prayers & positive thoughts. May he rest in peace!
