“ {SCHIFF} ...<3 XOXO

I have so many memories of you !!! One of the best times was when I would come home late and sit and talk to you at the kitchen table and just talk about everything... True or false lol.... Or the 3:00am telling me to go and get coffee hahaha or all the crazy stories about you and Connie Parker ;-) just in general all the stories about you growing up on the ranch as a kid while we drinkable late night coffee :-)

Karen was one in a million :-) never be another Schiff didn't matter if you knew her 3 mins 3 days 3 years she made it feel like you knew her for a lifetime . She just had that about her... I could continue on and on for days about the things we had shared :-

(she will be forever missed I love you Schiff xoxoxoxoxox

“ I knew Karen when she was a young adolescent and a teenager. We lost touch for a few decades and were reunited a couple of years ago. I was so pleased to see she had blossomed into a kind loving woman who loved her family and her friends. She read my cards, something she had learned from her mother. I visited with Karen in her home a few weeks ago and was so touched by her lightheartedness, her grounded spirit and her acceptance of her fate. In that short time, she imparted a huge life lesson to me, you can mope and wallow or you can be happy and shine. You shine Karen. I know the brightest star I see in the sky at night will be you, beaming your smile down on us. God speed my lovely.

“ She lived across the street from me. She was an awesome
neighbour and a very nice woman. She was always so happy and
always brought a smile to my face. She will be definitely missed by
all those that knew her. Prayers to her family that she leaves
behind. RIP Karen and enjoy the beauty of heaven you deserve it.
