“ *Condolences to all of Karen's family and friends. I was sadden to hear the news of Karen's passing. Karen was a very special person and she had a heart of gold. Karen and I started training and working together for the Walpole Island HELP Team in 1999. Karen was one of my mentors and she taught me so much about supporting community members on Walpole Island, and how to be supportive and compassionate worker in the community. I owe so much to Karen and I will miss her greatly. I am so grateful that I had the opportunity to get to know her, and to call her my friend and colleague. I share a picture of Karen and I, and I was presenting her with an award for her dedication and commitment to the Walpole Island HELP Team. This was a very special memory for me and I will cherish that memory. Karen, this is not good bye, but see you later.*

“ Always a laugh or two when you connected with Sis. Karen. Her favourite comment: You're craazzzy! And then a punch in the arm. She spent time in our community years ago. She even drove school bus. She was there to bring comfort when mom first and then dad passed from this present life. I can only imagine the reunion early yesterday morning when was transitioned by angels to another realm of the Kingdom of God! According to Christian beliefs from Scripture, she received a new body not subject to death, sickness and disease. A body "fit" for eternity. She joins the ranks of the Church triumphant. She is on to her next assignment. And she'll do with great gusto! My sincere condolences to the Lallean family and Walpole Island. Karen now awaits your arrival!

“ We have lost a precious sister and dear friend; she was one of the most caring and compassionate individuals I have met. When she stayed with us in Piikani, she easily made friends in the community and showed grace and compassion to those in need....prayer warrior and very involved in our church. Always a blessing to my family; my children considered her their beloved auntie, Karen was a truly beloved sister....Sincere condolences to the Lallean family, her relatives and the community of Walpole....

“ Karen shared the love of the God in everything that she did. You could not be in a conversation with her without her leaving you with a blessing and thanking God for her life, her gifts and her opportunities. She knew beyond a doubt that God was her Saviour! She had unshakeable faith and she loved everyone and everything that God made. We became friends early on by virtue of her looking at me as a human being and all the potential God put in me. Whenever, I was feeling low the Creator found a way to connect us, she could always be counted on to lift me up! One of my greatest memories in my life is the healing that took place at the United Church, that she was very much a part of, that is my sacred memory of her! Love you Karen!

“ *A Strong loving woman. Of faith and the gift of giving. God gave her a heart to help all people in need. She battled for their souls to know Jesus here on the earth. Now she joins God, Jesus Holy Spirit & Angel army and spiritual warfares from Heaven for all she met and loved here on earth, So, one day we will join her on the streets of gold*

“ Heartfelt condolences to Karen’s family in this great loss. Karen and I became friends when she began working at the N’Amerind centre. I left there and went to Hawaii for 3 months and her and her family came to visit. After I returned, we traveled to Florida and Kentucky. Returning we went straight through to Montreal to support our kick-boxer. There were lots of memories in between and when I-think of Karen, those good times and her amazing spirit will be what I carry in my heart ❤️

Karen called me just weeks ago to discuss our plans for bringing karaoke back for the Rez Kids at the Thunderbird Mall this fall. At the time, she thought she was in complete remission. Now I'm in Nova Scotia, and she's sitting with Our Lord and Creator in well deserved everlasting happiness. Rest well Sweet Lady.
