Thanks for sharing all these beautiful pics ❤️ Her & I use to play scrabble everyday after we put kids on the bus. Our Dan Shab Crew. We didn't even care if we had to scramble around to get our housework done or cook. We'd start hustling around 2:00. She'd race home around that time 🤔❤️👉 SHEESH REST IN FOREVER PEACE KATRINE ❤️ Luv You

“ I am happy that we were able to celebrate our last birthday together. I remember Mom and Dad saying that you wanted a doll for your 3rd birthday not a real baby. And, you wanted them to send me back. At least we had 73 birthdays together. I love you my dear sis and forever you will be in my ❤️.
