We’re grateful to have known her, to have had many shared moments together as past neighbours on Schooner Court in the St Lawrence Association portion of the Landings in Chatham. “ Oh Claude, I'm sad to hear this news. Sending my deepest condolences to you and family. I've known Kathy most of my life, as we lived basically on the same block and went to school together. Kathy made the world a better place with her joie de vivre! Her fundraising for head and neck cancer was always substantial and increased awareness. She was well known for her efforts here and in London. The heavens have a new angel to watch over you! Rest in Peace Kathy.

“ Thoughts and prayers Claude and family. I thought I would share a memory from a few years ago. I was at a Garth Brooks concert at the Joe Louis Arena and across the floor I spotted Kathy there. Even though we didn't go together we got to ride the tunnel bus back and had a great conversation. I really appreciated the photos she shared and I will treasure them forever. Kathy you will truly be missed.
