

Kazimierz 'Ken' Palimaka

May 12, 2025

After 89 extraordinary years, Kazimierz (Ken) Palimaka passed away peacefully on May 12, 2025, surrounded by his loving family. Kazik was the beloved son of Jan and Wiktoria (Zielinska), the youngest of four siblings.

Born on December 4, 1935, in rural Poland near Krakow. Ken was just five years old when his family was taken from their family farm by Russian Soldiers and sent to a Siberian labour camp where they faced extreme hardships. After a few years, their family managed to escape and began the treacherous journey through Kazakhstan, Uzbekistan, Afghanistan and finally Tehran, where he lost his father. His brother Josef joined the Polish Air Force and the remaining family was able to make their way to East Africa, where he spoke fondly of his memories climbing trees with monkeys, playing sports and living freely for the first time. Ken went on to rebuild his life in England. It was in Nottingham that he met and married the love of his life Filomena (Fila) Krupa. Together they welcomed their children, Izabella and Andrew, before immigrating to Canada in 1964. They settled in Wallaceburg, Ontario and later completed their family with the birth of their son Stephen. A gifted tool and die maker, Ken took great pride in his craft, and with his own hands built the family home – a sanctuary that has been the backdrop for some of our family's most cherished memories.

Ken was a devoted son, husband, father, dziadziu, and proud Polish

Canadian. A humble and hardworking man, he lived with quiet strength, selflessness, and kindness. He found joy in life's simple pleasures: tending to his bees, golfing, a good drink and, most of all, spending time with his beloved grandchildren.

Despite the hardships he faced, Kazik radiated warmth, humor, and joy. His gentle spirit, sensitivity, and affectionate nature made those around him feel special and deeply loved. He had a remarkable ability to light up any room, he was the life of the party and brought comfort, witty humour, and a sense of belonging wherever he went.

Ken is predeceased by his beloved son Stephen (2007), his sister Helena (Kazimierz) and his brothers Jozef (Franciszka) and Lou (Elizabeth). He will be deeply missed by his loving wife and best friend of 64 years, Filomena (Krupa) his children: Izabella and her husband Tim, and their children Alexandra (Andrew), Ashton (Sarah), Jenna (Justin), Jacqueline (Stephen), and Victoria; Andrew and his wife Nicole, and their children Dillon, Koby, and Michel; and his adored great-grandchildren: Lyla, Ella, Mackenzie and Hudson.

Family and Friends are invited for visitation at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg (519-627-3231), on Thursday, May 15, 2025 from 6-8pm and on Friday, May 16, 2025 from 11am until 12:30pm. His Mass of the Resurrection will take place on Friday, May 16, 2025 at Our Lady Help of Christians Church at 1pm, followed by burial at Riverview Cemetery. If you wish to make a donation in his memory, please consider Our Lady Help of Christians Church or the CKHA - Sydenham Campus. “ *Uncle Ken was a great man. He was very kind, warm and generous with his love and affection. He used to play and entertain my sister, Krystyna, and myself by picking us up, one in each arm, and making us laugh with happiness. We were all very close to Uncle Ken and loved him coming to visit us.*

Although we didn't see him towards the end, we always wished him well and hoped he would get better. We will always remember Uncle Ken in our hearts for ever.

May God bless him and look after him in heaven.

“ Sending my love to Uncle Ken, Aunty Fila, Izabel, Andrew and all family. Am so sorry for the loss of wonderful Uncle Ken and I cherish the time we spent together. He was such fun, so numerous, kind, caring and welcoming to us. My grandma Helena loved him very much and lit up when he came to visit her. My mum Maria spoke of Ken with much love and affection. Uncle Ken spoke to my father Keith on his last days and told my dad he was his best friend and loved him, hearing those words meant so much to me and I love Uncle Ken for being such a wonderful person.

“ We are deeply saddened that we cannot be there in person to honor and remember Ken, but our hearts are with you all. As a child, I remember visiting—watching the bees, playing on the tennis courts with my sisters, enjoying the space near the river. I remember Ken as someone who was kind and full of peace, and those memories have stayed with me over the years.

In this time of sorrow, we pray you feel the nearness of God’s Holy Spirit, bringing peace and comfort that only He can provide. We hold onto the hope and assurance that through Christ, this goodbye is not the end, but a pause until we meet again in eternity.

“And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying... for the former things are passed away.”

— Revelation 21:4

“The Lord is close to the brokenhearted and saves those who are crushed in spirit.”

—Psalm 34:18

“And this is the promise that He has promised us—eternal life.”

*Our sincere condolences Fila, Alexandria and Andrew
Ken was such a kind and gentle man tending to his bees, explaining to
me how the whole system works I had to mar Bell at his knowledge on
so many interesting topics.
I would see him come home from golfing where apparently he had met
another one of our friends,it's a small world.
He shared one afternoon with us his stories of Poland and coming
eventually to Canada.
We are blessed to have had such a wonderful man as Ken
Thank-you for sharing your previous gold ((honey)
