“ *I always looked up to you in many ways. You taught me how to shave to working hard in the world being independent. You always taught me to be honest in everything I do and I thank you for that. You made me become a lot of the proud man I am today. I will always think about you when I'm listening to Copperhead Rose by Steve Earle. The memories of us cruising or racing in the Mazda blasting tunes! You were always there for me and I will never forget that. You had a heart of gold. Anyone that really knew you knew not to mess with you also. I loved that about you. See you on the other side. Have the car waiting! Love always Lee*

“ *I am so very sad to hear about Keith's passing. I have many fond memories of Keith from when we were kids - one in particular, a dance party at the Klassen house in Inuvik. Loads of love.*
