“ This has been such a difficult year for so many reasons, but I am thankful for running in to Keith in the grocery store parking lot shortly after we were out of quarantine with our daughter. It was a beautiful sunny day and we had a long chat about hope. Such a good guy. I have fond memories of our time spent working at Waltec together with Keith and Michelle. May the good times spent, and all the special memories made, be a comfort to you during this difficult time. My heartfelt condolences to Michelle and family. Jean

“ I was shocked and saddened to hear about Keith. We were thinking of Keith just last week and wondering how he was doing , knowing he was sick.
I have not seen Keith since last summer at Country Style.

Hank, Eileen , Janice and Keith and I go back a long ways. Hank was a really good friend and as long as Keith was with us Hank wuld live on.

Every time I wuld talk with Keith I wuld think of Heinz with his infectious grin that he wuld have, especially after a few drinks. I will never forget that grin or Hank or Keith.
Father like so son , easy going friendly and considerate.

My sincere condolences to Keith's entire family at this very difficult time.
