“ It is with great sadness that I post my fond memories of Kelsey. I had the opportunity of working with Kelsey during the Life Skills component of the Landscaping Program last year. He was such a great young man, fun to be around and very kind and considerate of others. I seen him recently at the computer lab at the Employment and Training Program and he told me he was almost finished his grade 12. I was so happy for him. As a teacher it makes my heart sing when I hear young people setting and accomplishing goals for themselves. Kelsey you will always have a special place in my heart. Gonna miss your smiling face.

“ I didn't have the pleasure of knowing Kelsey but my mom knows family and I have had the wonderful chance to meet Cathy in the past year and exchanged stories of our families and saw the passion in her life for all things thru her work at the AFN and in south western ontario. I am certain her passion was shared by her son especially as I have also seen the wonderful reflections on his life on facebook thru family and please accept my condolences at this time and many prayers for your families. Sincerely, Gina Doxtator

“ I have known Kelsey for his whole life. He was always respectful, courteous, and a hard worker. I also know him as my niece Donna Lynn's brother. They always had a wonderful relationship. I know his family will miss him. His children I'm sure will feel the void in their life, with their Dad gone. We will miss his constant smile and good-nature. Rest in Peace my friend.
