He was one of the kindest men we have ever met! When we think of Ken we always remember his delicious pickled eggs and sausages when being entertained by Sheila and himself. They were the best! Thanks for your recipe Ken! Good times golfing with the boys in Forest for a few days every year was so special!! Rest In Peace, Ken!!

Wow! Ken was my next door neighbor at Wildwood. We became fast friends because he was just that kind of man. Always there to help. When we missed a couple weekends he would cut the grass or clean up our yard out of his own heart. My wife past away last October and Ken and Sheila stood in line for over an hour to support me and our family. Sad day for us. Our condolences to the family.
