“ I remember going to Aunt Pearl's and Uncle Ken's place for various occasions when growing up. In winter we would skate on the ditch in front of their place :). Uncle Ken was always kind and gentle with us and quietly interested in what we were up to. My thoughts and prayers go out to Aunt Pearl, Kevin, and Debbie and family during this time...

“ Ken was an avid gardener, he had a way with growing and had beautiful vegetable, fruit and flower gardens. He was a quiet man, with a gentle manner and a nice smile. That's how I remember my uncle. Rest in peace.

To my Aunt Pearl and cousins Kevin and Debbie and family, you have an angel watching over you. Love and blessings.

“ *Uncle Ken was always such a quiet and kind man, with a quiet wicked sense of humour. I remember many visits as a child and watching for hours as he and Aunt Pearl played cards with my parents. My favourite memory was at my second wedding. I had suggested dress as casual, and both Ken and my Dad showed up looking like twins in their Khaki shorts and Hawaiian shirts. I remember asking my Dad if they had coordinated their outfits, and he said no. We both had a good chuckle about that. Uncle Ken will be missed and we send our most sincere condolences from our family to yours.*
