

Kenneth Murphy

November 17, 2023

Dad left us peacefully at Trillium Villa Nursing Home, Sarnia of complications from dementia.

Survived by daughter Keeley (Brett) McMullin of Sarnia, daughter in law Lori Murphy, grandsons Dylan Murphy, Trevor Murphy, sister in law Elda Murphy, nephews Michael Murphy, Paul Murphy and families.

Predeceased by his parents Henry and Thelma Murphy, in laws Bob and Verna Bending, brother Melvin, son Brad and wife Kay.

Ken will also be missed by many extended family members, curling pals, golf buddies and dear lifelong friends.

A special thank you to Krystina Kokhna, past live-in caregiver to Mom and Dad and loving, family friend. Also to the staff of Trillium Villa for their compassionate care of Dad for the past 11 months.

At Dad's request, there will be no visitation or service. Cremation has taken place.

In keeping with Ken's love for his hometown/Wallaceburg, donations if desired in his memory to the Sydenham Community Curling Club (Little Rocks Program) or the Wallaceburg Community Centre & Senior Citizens Club would be appreciated and may be left at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg (519-627-3231). Cherished stories and tributes may be left for the family at www.CavanaghFuneralHome.ca

“ CRAZZZZYYYYYYYY... So many memories come to mind when I think of Crazy Legs, Running into him at Walmart and him having muffins... told me he was trying to save a 63 year marriage... haha
His Loud Mouth Pants... those were always a sight
Riding the Rocks at the curling club
So many Crazy stories... not sure how many were actually true.
Him looking out for our girl at the residence and our many conversations.
So many memories you left me with and all you came into contact with. You will always be remembered and thought of fondly. We will miss you dear friend.
Condolences to Ken's family. Let your memories bring you some comfort during the difficult days .
Rest Easy Crazzzzzyy.

“ There are many stories to be told of Ken as "Crazy Legs" but I knew him more as a loving brother. Growing up, Ken and Melvin were very close cousins of my brothers and me. It was like we were one big family. I miss them and think of them often--Aunt Thelma, Uncle Henry, Ken and Melvin. I moved away but we did not lose touch. We tried to have an annual visit but then Covid came along. With loving thoughts.

“ Many stories can be shared about Crazy Legs Murphy. Here's mine. Got recruited as a last second replacement on a curling team to the medical professionals bonspiel. We had no idea who was all being thrown together. Went out onto the ice with 2 others and met our opposition. 4 PHD doctors from London. Who was to be our skip? No one knew. After several awkward minutes the rink door flew open and out came bigger than life Crazy Legs. He apologized for being late and holding those hands of his up said he just got out of 5 hours of surgery. I'll never forget the look on those 4 doctors faces..... That was Ken Murphy....

“ I am so sad. Ken and Kay meant a lot to me and forever will be in my memories. Mr.Murphy always told me the craziest stories about him riding on the curling rocks, at first i thought he was pulling my leg until i saw pictures of the even and him actually trying it again when he was almost 80 years old. What a personality. One in a million. I will miss him and Kay so much

“ Keely... I am so sorry for the loss of your dad. I have known him from when I was little and him delivering milk to our home, you and I being friends and spending time together. Also he always knew who I was when I saw him around town and even at the Wallaceburg Retirement Home. It was great thst he and my great uncle, Martin Bratt, could spend some time together at the residence. He always made me laugh with all his kidding around. He was such a wonderful person. May all his memories get you through this tough time.
