“ Dear Pat & Family

Ken, his smile and his sense of humour will always be in my memories of my life on the farm. Harold & he would often stop in for a morning coffee if they weren't at the bay. I always felt we had a tight connection with your family with Wayne & Mike being good friends in their youth and Belinda and Trisha still maintaining contact after all these years.

May you find peace and solace at this time.

“ *Uncle Ken was the best. A warm sweet loving person. I loved having him and Aunt Pat join us around our supper table ,he never refused and invitation, or a second piece of pie. He could make mom/his sister laugh so hard and teased her endlessly. How we enjoyed the stories and childhood memories. I'm so glad our children got to know him, as they always referred to him as the "funny one". You have said how you missed talking to mom, and missed her phone calls. so now that you are together its time to catch up. Mom will have the food ready, table set and your brother and sisters will be waiting. Thanks for being that special Uncle you will truly be missed.*

“ I never knew Ken, only from brief encounters when he would stop in here at Paul & Jay's work. He exuded a kind and gentle nature that is infectious. If he was anything like Paul & Jay then he was a person who did the work until the job was done and could always count on when you needed him. Patient and very respectful.

Dad, I always wanted your love for me, to make me feel whole. Even though it was hard for you to say those words just seeing your eyes and smile when I came into the room and you would always say "There she is" will always be in my heart. I will ache for years to come that you are not a part of our lives but atleast you knew that I loved you so.
