“ *It is so very hard to experience loss, and especially loss of such a young person. My heart goes out to the immediate family, words cannot fill the emptiness you must be feeling for having lost not one but two children. I will keep you in my prayers Elvie and Barry, sending love and good energy to carry you through this very difficult time. Rely on those around you that can support you, ask for help and fill your hearts with good memories, they will gently flutter in for you as the year passes, ba ma pii to a beautiful women, sister, mother, daughter, auntie and friend to many many people.*
