“ *Wendy and family sending my deepest sympathy to you and your family. I am so glad that we were able to have a visit on Easter Sunday.*
Larry was a really good friend and I know that Larry and Dick had many good memories of their very own. Larry always had time to take Todd to the barn and share his knowledge of the horses he deeply cared for . Larry really enjoyed seeing Tag and commenting on his horse ability for only being 4 years old.. Larry will be missed by everyone that knew him. Take care
