Thank you so much for your condolences. It is comforting to see how many lives they touched through their ministry, and how many people in the ministry that have shown their support.

We will all definitely miss his sense of humour, and their strength of faith.

Blessings, Mike and Cherie Bea (Sayers) and family, and the Sayers family.

“*Gar and I were so saddened with the news of Pastor Larry’s death. We will always remember him for his great optimism in everything he did, his great sense of humour and the gift to be able to connect with every one he met. Pastor Larry was never bitter. He came to us with his life’s experiences, the good and the bad and a desire to make a difference in the spiritual lives of the people in our community. He spoke of God’s hand in all that he encountered in his and Barb’s lives. He never brought up the issue of his poor health, one had to probe.*

Gar enjoyed working with Larry doing repairs and improvements in the Nile Church and the manse.

Larry and Barb gave so much of themselves with their time, money and exciting ideas to bring the people together for worship and fellowship.

Gar and I are grateful to have been in touch with one of God’s cheerful and sincere messengers.

Our condolences to Cherie and Mike and family, Alan, Donald.

Sincerely, Gar and Alie Lee, Trinity/Dungannon

Thank you so much for your posting. It was so beautiful to see such support from the members of the Wallaceburg Adult Centre. Even though Mom wasn't able to visit much due to her health, she did enjoy her time there. I know that Dad looked forward to going to the centre especially after Mom's passing. Your fellowship was so helpful to him. Please thank everyone at the Centre for their kindness to both of my parents from the Sayers/Bea families. You all helped them both have some fun, and enjoyment in the midst of their health concerns. Blessings, Mike, and Cherie Bea (Sayers), and family, and the Sayers family.

“ Dear Cherie & Alan

It is with a heavy heart that I received an email informing Manitou Conference of the death of your dear father. Your Dad, Mom and I were great friends on Manitoulin. We were the only two Designated Lay Pastoral Ministers on Manitoulin and I along with Rev. Mary-Jo Eckert Tracy were his supervisors. I was the Presbytery appointee on the search committee that issued the call to your Dad to come to the Manitowaning/Tehkummah/South Baymouth Pastoral Charge. Your parents were so excited to come and to enjoy what Manitoulin has to offer. They brought their love of people and God, their compassion and insight into life. God truly blessed them and us with this respect and love. I will greatly miss both of your parents and cherish the memories of friendship. May you find strength and support in the love of God and be comforted by family and friends as you journey along in life. May the memories of a loving parents be with you. With many thoughts, cherished memories and prayers

*Thank you so much Pastor Erwin for such a beautiful testimony. They both loved the Island, and it's people very much. Manitoulin and it's beauty, is a reminder of the miracles that God can do in life. I know that they considered themselves very blessed for having been able to serve God, and his people in such an amazing environment. Please pass a thank you on to everyone there, for their friendship, and their prayers. We are very grateful that our parents were surrounded with such caring, and beautiful people.

“ I attended United Theological College with Larry and I remember him well. He was a gentle, positive man deeply believing that God had called him into the ministry. One reason I remember Larry so well is that he was on Manitoulin Island where my grandfather had a fishing camp over 100 years ago. Sympathy to those left behind. Larry made a difference to those whom he touched.

Thank you for your posting, and sharing your memories of Dad. He was a faith filled man who tried to live his life accordingly. His strength, calmness, and overall joviality made him just one of those people that were fun to be around. He was a true servant of God, always put others needs ahead of his own. You are so right when you stated that he made a difference to those he touched. He opened himself up to being an instrument of God, without reservation. Thank you again. Blessings, Mike, and Cherie Bea (Sayers) and the Sayers family.

“ Cherie, Alan, and family,

Please accept our sincerest wishes of condolences. I had the opportunity to get to know your father Larry as a colleague when I and my wife moved to Belgrave in 2009. I know how well he looked after the people of Dungannon, Trinity, and Nile and the few times when he or I would cover while away. I had the privilege of doing the Anniversary Service at Nile, before the church closed down, and remember how he and your mother joined us for lunch at Nile; because of our earlier worship time in Belgrave. I know that God will keep you close as you move through the days and months to come. God blesses us all with memories made and kept in our life memoirs. Thank you, Lord.

Thank you so much for your condolences. I remember them talking of that day. It was bittersweet to them. The closing is never a good thing, but a sign of the times. The time that they shared with good friends that day was such a blessing. They truly loved the area, and it's people. Their lives were made rich by the many friendships, and experiences that they shared over the years. My brother and I, and our families were also very blessed to have such devoted servants of God in our lives.

“ I am saddened and sorry to hear of the death of your Mom and Dad. I was a colleague and educational supervisor for your Dad when he was in Manitowaning. Thank you so much for your posting. They loved the Island, and it's people very much. I know that the beauty of the Island, and it's people were very special to them. The picture on the front of the obituary card was one that Dad had taken on the Island. Even though they were not born on Manitoulin, their time, and experiences, there did touch their hearts deeply.

“ Cherie, Alan and family...please accept my sincere condolences. Your father was certainly a man with convictions, strong faith and deep desire to remain independent. This was evident in how he treated others and also how each day he lived his life to the fullest. Over the past months he certainly struggled with many health issues and the recent difficult loss of your mom.... but remained courageous and hopeful. He always put the needs of others above his own and this became a concern for you. I trust the Lord will surround you with the comfort only HE can give and sustain you through the difficult days and months ahead. .

Diane, You were such a blessing to both Mom & Dad. They received the best nursing care that we could ever have hoped for. (Even though neither of them always listened to you) Your undying devotion to them will never be forgotten. They both were so thankful for having you in their lives, just as we still are. You were truly their guardian angel. Thank you and may God bless you always.

“ We were very sorry to hear about Larry's passing. He served the Trinity/Dungannon area well, and we enjoyed knowing both he and Barb. We went to many presbytery meetings together, and he always offered to drive, as well as picked me up right at my door. I heard many interesting and humerous stories as we covered the miles over Huron & Perth counties. Our sincere condolences to the family.
