“ Our condolences go out to Larry’s family , Karen and all of his friends. I have so many great memories of us playing pool , cards and just hanging out in our younger days. Larry always had that big smile and a heart to match. Even though Larry went through so much the past number of years , he was always concerned how you and your family was doing. He was a great guy who will be dearly missed.

“ Larry and I reconnected in the last year of his life. Still in so many ways the same guy from childhood, kind, thinking of the other person first, and loving to play games, particularly cards. As a kid, I remember Larry loving adventure, creating risky outdoor games, and laughing. He was always fun to be with. During his last year, even though he was going through such hard times, he was always asking about my family and sharing his dreams for his girls. He was genuine, loving, and unassuming. I am so grateful we had the time to rekindle our connection though very sad that his life ended too soon. With deepest sympathy for his family. RIP Larry, love, Sandra
