“ I have to say I loved the calm happy attitude of Lawrence. He had a big responsibility as any father has and when faced with challenges kept calm and listened to his wife. Which is hard to listen to the boss. He loved church and his beautiful wife and children who are family to my family even across the country. I spent time building a gate in his fence with Lawrence and we did a road trip for my only visit to Detroit was an experience to meet more of his family and friends in USA. His love for music will sing in our hearts as he knew how to create a mood. I loving water enjoyed his swimming pool when my kids William and Scarlett got to play in their outdoor pool in Windsor. We don't get that in Alberta. Lawrence always asked .. when will I see you next.. I have an answer... When the Gods bring us all together again at the table. We will be together forever. ...
With Love from Daryl and America and William and Scarlett and Brandon

“ I always like coming to their home for tutoring their son Christopher in French.
Lawrence was always such a kind and understanding person, reasonable and had open arms and hearts to welcome children as a foster family. A great example of generosity.

“ *Lawrence travelled and did business for Larry Gilbert in the past. Lawrence spent many days in my home. We became friends and shared many good memories. The last time I saw Lawrence was at the church (Church On The Rock Christian Ministries - Piikani Nation, Alberta) that I provide leadership to. His wife accompanied him at the time. He loved the Lord deeply. He worshipped the Lord in song and as a musician. I was shocked and saddened to hear about his sudden passing. Over the past few days, memories of fellowship with him came to mind. I offer my deepest condolences to his wife and children and all his siblings and extended family. I only wish that I could be with you as you remember him. God love you all. Grace, mercy and peace from our Father and Lord Jesus Christ be with you all.*

“ I have many memories of Lawrence and I would like to convey that they stir up so much love and warm hearted thoughts. He was so instrumental in bringing many people of faith together and would make many efforts to bring unity in our fellowship groups. He worshipped the LORD in spirit and truth through his gift of song, keyboard and guitar. I have some video of him in his best friend's basement. I will treasure the memories of us singing praises to our God and look forward to uniting in the final heavenly choir.
