“ I have a lot of memories of Lee... one of the most recent was when he found out about the Human Rights Act. He said, "So, when I show up to work on the day after my birthday, your still going to pay me, right?"

I know this is not expected and i feel bad for the White family! I feel as many do and admire Lee for contributing to the Rez in a big way! My Dad always spoke highly of you and that's good enough for me! you helped me to personally Too even though me and Tex stole your weed (lol) family is what makes a good community and you have good kids and i just met some of them again and they were nice! sorry me and Denny threw stones at them when we where bad! (lol)
