“ Ruth lit a candle in memory of Mr. Leo Debugger. Mike and I went all through school together. I remember your very supportive parents well. A few of you transferred from the old Nolan school to Burgess school. Then Mike and I went all through school from there. I won't say what year we graduated. May you Mike Cherie Peter and extended families stay in God s care.

“ To the DeBurger family, I wish to extend my deepest sympathy. I have such wonderful memories of my friendship with Leo and Emily over many years. Time and change has caused us to live apart these last few years, but their memory has never stopped being treasured in my heart, I pray that the Lord will comfort each family member. I look forward to the day when I show meet them again around the throne of Christ.

“ Condolences to the DeBurger Family. Leo was always a gentleman whether doing electrical repairs or assisting the Graham Family with showing horses. A very quiet demeanor with a permanent smile. RIP

“ *When I began attending First Baptist Church Leo would never fail to find and welcome me with a hand shake and a smile. He took time to get to know me. He was a very big reason why I continued attending and eventually became a Christian. He made me so welcome and befriended me. He was a greater influence in my life than he knew. I never have, and never shall forget him. He was warm, genuine, and kind. He lived his faith well. I trust God greater him with a "Well done my good and faithful servant.*

“ *I'm so sorry to hear of your loss. I have many fond memories of Uncle Leo and Aunt Em. My two boys had many visits at the farm playing with the little goats. As a young boy myself I remember the parties at my parents home. The sing songs and dancing in the living room. I am sure there's a sing song party happening up in heaven with all who have passed once he arrived. May he rest in peace*
