“ *Lillian was part of our Family when we were growing up. she lived a street over from our house and she spent most of the time with us. She was an only Child and she liked all the activity that went on at our house. We were delighted when she married my first Cousin John and really became part of the Family. When Lillian moved to London she came to visit me in Unionville with her friend Marg Cameron and we had some wonderful times. She will be greatly missed by everyone that new her as she was a wonderful caring interesting person. Joan McDonald Crist Consecon Ontario*

“ *I always referred to Lillian lovingly as "Machine-Gun Lil". I'll never forget the day that she can into the Wallaceburg Museum with some artefacts and among them was an actual machine gun. Of course the police had great interest in removing it. There was some serious questioning done at the time, but afterwards there were a lot of chuckles. She was a lovely lady and I know her family will miss her.*

“ *May the road rise up to meet you,  
May the wind be always at your back,  
May the sun shine warm upon your face,  
And the rains fall soft upon your fields,  
And, until we meet again,  
May GOD hold you in the hollow of HIS hand.  
An Old Irish Blessing*

*What a wonderful Aunt (in-law) to meet when I first married Gene. I was always so excited to visit London on the way through to Wallaceburg, just shy of 30 years ago. Then Aunt Lillian's comforting welcome to London when we actually were lucky enough to move here. Aunt Lillian and I got into lots of mischief every week; lunches at almost every restaurant in London, plays at Grand Bend, London Orchestra's Pop's concerts at Centennial Hall.....always first row seats at everything, of course, (mainly because Aunt Lillian would never be able to see over anyone else's head)! I learned where every ladies shop was in London, every market and every nook and cranny, and I enjoyed every minute of every adventure...and every outing was an adventure. A joy to anyone and everyone who was ever blessed to meet her.*

*Her lifelong absolute faith in her Lord, the Presbyterian Church, volunteering, puppy dogs and little children, jelly beans, pink flowers and every angel statue she could get her hands on.....this is what I remember...'a few of her favourite things'.*

*Love always, Aline Giroux (Gene's wife)*

“ so many years on Grand Avenue, so many memories of Johnny, Lillian, Pam and of course Raff - riding our bikes round and round the circle driveway - swimming in the Sydenham from our dock or skating in the winter - listening to Pam play the piano often pretending we were Judy Garland - then on special occasions Johnny and Lillian would take us to swim at the "posh" golf course pool - or to a skating party on Harsen's Island  
Lillian always made me feel like part of the family and often shared her latest artistic work  
it's hard to wrap 60 years of memories in a few lines  
rest well Lillian you will be missed

*I loved my Aunt Kibbie, she was my mother's very best friend for all of her life. My Mom died in 1987 and Aunt Kib had me staying with her while I visited Mom every day in Victoria hospital. She was a talented artist and a loving wife and mother to John and Pam. My parents Eleanor and Bud were best friends with them for years and Uncle John was my second cousin. Our families shared many events through the years. I vividly remember Aunt Rose, ( Aunt Kibbie's Mother) she made me an entire baby wardrobe for my first child Kellie Mathany Beamer. I will remember them all fondly and I am sorry for the loss. I know Gene and Aline will miss her. She was a kind loving person and I will carry fond memories forever.*
