“ Nanni,

There are many fond memories that I have of you, that I will forever cherish.

I can vividly remember the sound of your voice, and your laughter -- your humour and your way of 'bantering' me now and then--Yes, I know that you tan darker than me--that seemed to really impress you every time I saw you!

I can still recall the subtle, sweet fragrance that you would wear that would linger in your home - every room felt safe and warm as your presence was everywhere. I always looked forward to staying with you when I was a little girl - as I knew that my Nanni would make my time there really special - we didn't need to do anything in particular... I was content to watch TV with you, talking with you, taking walks, visiting the large Koi in the pond out back...watching you fold laundry while I leafed through a reader's digest. I will miss you, but I know that it is time for you to be at peace and reunite with your loved ones, and to be with God and His son, of whom I know that you loved tremendously.

I am grateful to have these memories, and am grateful to have been cared for and loved by you.

*Love your Granddaughter,
Genevieve*

Yes you are right - hard to believe I was her first grandchild. I have so many things I can remember about her as a child growing up - the memories have been coming to me like crazy yeterday. I think that is her work though - that is how she tells us that she is ok, when we remember her.

*Angels come in many forms.. for me it is my mother,
With love I cannot say in words they'll never be another.
Every day I turn the page.. my heart will ever remain,
Everything she taught me as I stroll down memory lane.
Thank you God for giving me the most priceless of all treasures,
Help my Lord to keep alive her memory here forever.
I pray that I can some day be everything she hoped I would,
That's she smiling down from heaven knowing she did good.
I miss you mom so much*
