“ Aunt Linda,

The strong woman who had great courage, a never give up attitude, drove across country like nobody's business, had a great sense of wit and a huge, generous heart to match. You may not have liked flying Aunt Linda, but spread your wings and soar!

You will be greatly missed and know that you were very much loved.

“ *To my Mom
Thank you for my life.
Thank you for the times you hugged and kissed me.
Thank you for the times you disciplined me.
Thank you for teaching me how to stand on my own.
Thank you for laughing with me. Thank you for crying with me.
Thank you for not telling Dad when I did something bad.
Thank you for kicking me in the butt when I needed it.
Thank you for the Coney sauce
Thank you for teaching me how to be a good man, husband, and
father. I'm doing my best.
Most of all thank you for being you and being my Mom. I love you
Mom.
I'll miss you always, but I will carry you with me forever.
Until we meet again...

“ To my brother sonny Joe, Cindy, Joe, Melie and Mariana, What a major shock to hear of the sudden death of Linda. It seems we all paid attention to Joe’s health conditions that Linda’s illness was overlooked. Linda was a very loving, caring and devoted wife to my brother. A very caring Mother to Cindy and Derek. (Not that she was a push-over, She was also a disciplinarian). She was a very hard working person who gave many trying year’s of effort and sacrifices to keep the home and work load running smoothly. Linda loved her garden of flowers and vegetables. She loved to brag to us in Calgary that we have snow and her garden flowers are coming up.

Linda drove many, many long tedious miles across Canada and the USA for either holidays, weddings, anniversaries or business.

Linda you left us very suddenly but you have earned your wings to fly around heaven as one of their special Angels keeping things in order like you did here on earth.

We love you Linda for being a golden wife to my brother Joe. You left a very valuable legacy to your children. You will always keep your memory in our hearts forever.

Your Sister-in-law Terry and Brother-in-law Arlo

“ Our heartfelt condolences on your loss. Linda was always kind and welcoming. I will miss her letters, especially at the holidays, filled with precious family updates. Her love for her family was great and she was so proud of all of you. She always took a genuine interest in knowing how Mike and I were doing. She will be missed.

“ Linda was a very loving, encouraging and kind grandmother. While she may not be physically here, she will forever live on in my heart ❤️. We won't move on from our grief of losing her, but we will move forward with it. In her memory I will try to make her proud in everything that I do as she would have - with kindness, love, hard work, and patience. May she Rest In Peace and May we be so blessed to have her as a guardian angel now.

“ I thank God for your life, love and legacy. The warmth of your love will be present in our hearts forever.

When my grandfather passed away, he wanted us to find comfort in the words below, I did translate them to English to share them here. Because I know that from heaven my mother-in-law would want to comfort us in the same way....

“When I go, let me go, I have many things to do and see. Don't bind yourself to me with your tears. For the beautiful years we spent together, let's thank God.

I gave you my love, you will think of the joy that you showed me. I thank each of you for the love you have given me. But now I have to travel alone.

If you want, you can express your pain, cry for a moment, let faith in God comfort your pain. We will only separate for a while, so we must keep the memories in our hearts.

Life goes on, I won't be far If you need me, think of me and I will be with you even if you can't see me or touch me, I will be close. You will feel the warmth of my love in your hearts.

And when you have to travel this road, I will greet you with a smile and welcome you in the garden of God”.
