“ I don't know where to begin. My heart is heavy, I met Linda many years ago when we were both young. She made such an impression on me that I always thought about her over the years. A few short months ago, I found her again and we were like there was no time that had past and we laughed and reminisced about where life had taken us. Linda was very special to me and she really loved her family. I wanted longer with her but I am so grateful to God for giving me this time with such a beautiful person. I love you Linda for your good heart. Until we meet again. 💔
