“ My husband worked and rode with Lloyd when they both did construction work inMichigan. Lloyd had a great sense of humor and always made up his own version of words. Like saying wheel aliggiment for wheel alignment! Another thing I remember about Lloyd is that he had nick names for everyone. He had one for Austy but I can't remember what it was. He was always friendly and spoke kindly to me. I have a memory of him on his tractor in the spring time, riding down the road. He will be greatly missed by the community....Charlene Dodge
