“ Lloyd would contribute both physically and financially to the youth sports in our cimmunity. He would donate duck to the feasts and other community events. I enjoyed it whenever we crossed paths. He would call me "Chucky" and crack a joke. We would both laugh. More recently I enjoyed our visits while he was in the hospital. I felt I needed to visit with this man that meant more to our community than we ever imagined. We will all miss his presence but he won't be far. His spirit of giving and caring will always be near. RIP Lloyd our good buddy.

“ So many great memories of a well respected member of Walpole Island in his earthly body he has shown the ability to be humble and grow in wisdom n knowledge of his heritage. Heaven has gained another ambassador for the Kingdom of our great KING JESUS. He is dancing around the Throne with a new Heavenly body and looking down upon his family rest assured that he has taken on the next assignment for the Glory of the Kingdom of Heaven as a witness. Prayers of peace and comfort to the family and the Blessings of our Heavenly Father in memoriam.
