“ *I will always treasure the last time I spent with Aunt Lois on a June Saturday afternoon. We talked, laughed, and reminisced about my mom. It was altogether lovely and I ended up staying much longer than I had anticipated. I'm so glad for those extra few hours. I love you, Aunt Lois, and love you, Uncle Dick. The days will be darker with her passing, but her light lives on in those of us lucky enough to have known her.*
