“ *The Munce families are greatly saddened by the loss of Lorne Coleman. We all remember his giant grin and caring personality. Since both Pearl and Lorne Munce are not up to the drive to Chatham this weekend, all of the extended families of Pearl and Lorne are going to support Daiva Jocius in her Relay for Life on June 4th in Calgary, Alberta. Daiva will run for her Dad and for Lorne Coleman and light luminaries in the night in the fight against cancer. This is a very connected and personal tribute that we can make to show Lillian and the boys and their families how much Lorne meant to us all. Our team, Munces United, will run financially and in spirit on Daiva's soles to support cancer research and rid ourselves some day of this thief that steals our loved ones.*

Our hearts are with all the Colemans this weekend. We will send you photos of Daiva on her Relay for Life and the luminaries that will brighten the night and hopefully bring some comfort to you all.

*Most sincerely on behalf of the "Munces United Against Cancer" Team, and especially Lorne Munce and Pearl Munce
