“ Lorne will be missed by everyone who knew him. He always had a smile and a pleasant word to share. I know my dad always enjoyed his visits as did I when I travelled to Wallaceburg. I much appreciated his company at tre nursing home after dad's stroke. My condolences to the family.

“ *The last I talked to Lorne was at my own father's funeral when I helped Lorne into his car. He was so positive and chipper, never complaining about the obvious distress he was in...an inspiration to me personally and to all of us... for sure.*  
*I will never forget his distinctive voice, and the way he always called me "Danny"! I can hear it now, all the way out on the east shore of Nova Scotia where I am vacationing today. He was my Mother's first cousin and will be genuinely missed by his community, friends and family...my heart felt condolences go out to all his family...many who grew up with me in Wallaceburg. Lorne will leave a distinctive hole in all the lives of those who knew him...but his example will be one that enriches us all...great Job, Lorne.....I'll always remeber you.*

“ We have such pleasant memories of Lorne and the Huey family from our time as Pastor at Charlemont Free Methodist Church, 1970 to 1974. Lorne was always ready to help in any way and it was evident that he had a deep desire to serve Jesus Christ. We so enjoyed the fellowship of the Huey family and also enjoyed the pork that he often dropped by for us. Sorry we are unable to be there for visitation or the funeral service. Our prayers are with you all.
