“ Shelley and family,
I was so very sorry to hear about the loss of your husband/father/grandfather. There are really no words that can adequately express how badly I feel for all of you. I would have loved to attend the visitation, but wasn't able to do so due to program commitments at work. Please know that I am thinking about you and remembering you in my prayers. I hope that pleasant memories give you some peace as you remember him.

“ Looking pale red in the midday sun
Forsale sign hanging off the wheel
Pull over swift for a better look
At the Farmall Caught in the field

*It was the first tractor I got to drive
I needed help pushing down the clutch
Engine didnt run so I steered it home
With a chain wrapped around the truck*

*Missing one headlight it was 30 years old
The oil was low, but tires were good
Muffler covered by an old tin can
And it had the name rusted off the hood*
