“ Carol, Mike and Sarah: We are so sorry for the loss of your mother and grandmother. Mrs. Bunda was a true gem, who made everyone feel welcome. My parents would always take us to the Bunda's farm, when we were growing up. I, in turn, took my children to the farm, when we were visiting the area. She will be missed.

“ Carol, Mike and Sarah: We are saddened to hear of Lucienne's passing but will cherish many memories. She was one of a kind; a strong, independent, intelligent, inquisitive women. She was always interested and engaged in learning and engaging in conversations. She made guests feel so welcome and I have many fond memories of chats around her kitchen table always accompanied by delicious homemade baking. Her cream puffs and cherry pies were absolutely first class. She was a treasured, long time family friend to the Suisham family. As a child I remember Lucienne, Wesley, Nick and Affie laughing as they played euchre while enjoying her brandied cherries. We hope your memories will provide comfort during this difficult time. When I worked at Jackson's Pharmacy she would do her mailing at our Postal Outlet and we would strike up a conversation. She had such a good outlook on life and had many stories to tell. Her and Wes were both interesting people and I enjoyed talking to them whenever they came in. Condolences to all the family
