“ We have meet Lucy on several occasions. She was always the same kind gentle lady, and at the same time so pleasant to be in her company. We had a lovely conversation a few weeks back and Lucy said she would be up for a visit this summer. Well Lucy that visit must wait until we meet again.

You will have a wonderful welcoming committee and the feast will begin.

RIP Pat and Glen

“ *My Godmother was one of the most special women in my life next to my mom, and my sister. Lucy always gave me a hug no matter where we seen each other and she would always wish me a happy birthday no matter what it meant for her to do. She even searched me up on fb to make sure she was able to wish me happiness. I will miss her extremely and will cherish every memory I have of my super special Godmother.
Love u always Lucy.*
