“ *Words cannot express the shock , sadness and disbelief of losing our beautiful Lyza. Lyza was my rock and my very precious friend since we attended school together at St. Claire. Although we lived in different parts of the world, somehow we always managed to return to our home country. We got to spend many precious moments together and some very sad times together.*

*Lyza was with me when I lost my mum and she was there for me when I lost my sister Jackie. Lyza you were more than a friend to me, you were a sister to me. I will surely miss your infectious laughs, your selflessness and your courage, your kindness in helping others.*

*I will treasure all my beautiful memories of you deep within my heart. You will be forever missed but not forgotten. "I love you to the moon and back" as you use to always say to me. Life will never be the same. Rest in eternal peace my precious Lyza. Mariese Berlouis*
