“ My best memories was she was always so giving if you needed her she was there to help. Or sometimes just helped you out even if you never asked. Iam so thankful to have a mom and dad that like this. She was so loving. Best memory i say i have is when i could give her wish. To see my kid Sellyna and my Wife Alexis again was the one thing she always wanted before she would pass on and she got it. So iam very grateful to have given this to her. Love you Mom missing you already.
