“ Sorry for this third message. I realized the last two had errors in them. Unfortunately, I am not able to be present for my godmother's funeral. Marie was also my great aunt. To the rest of the Richardson clan, Please know that we are grieving as well and send our love and prayers from afar. I take comfort in knowing that Aunt Marie is in the arms of God and is no longer suffering. She can continue laughing, dancing, and playing piano in heaven and visit with our loved ones who are already up there. The great thing about our faith is that we will see our loved ones again. Aunt Marie, I love you and Miss you.
