“ Elizabeth and family, I am so very sorry to read of the passing of your mom. Can't forget the many neighbours we grew up around with on Main Street. Although I have not seen them in years I have fond memories of my childhood. May the cherished memories you share with your mom help to ease the loss in the days and weeks ahead.

*Sincerely,

“ I enjoyed seeing Lee every Friday morning to do her hair for many years, we laughed and had a great friendship between us. Lee was truly a great lady who loved people and was caring and understanding. A talented woman whose knitting needles hardly left her hand. I remember Lee speaking of her grandchildren with joy and pride. I will treasure my time I spent with Lee. Sending her family lots love and condolences

*I am so sorry to hear of your mom's passing. She was such a nice woman. She always had a smile, loved to laugh and was incredibly kind. I remember your mom and dad 44 years ago being in the camper truck at a London air show. I was 8 1/2 months pregnant also at the air show. It started to pour rain and as we tried to get to some cover we heard someone yell to us. It was your mom...she saw us and recognized me and told us to come in their trailer until it stopped. She gave me a towel to dry off and made sure I was ok. I will never forget her kindness. I am so glad Eileen and I have reconnected over the past few years. I hope all your wonderful memories help you all through this difficult time. Your mom was certainly one of kind with th biggest heart ever. ❤️❤️*
