“ To the Grant family my deepest sympathies in the loss of your dear mother and grandmother. She was truly a remarkable lady and will be missed by so many. I got to know Marilyn when she served as President of Lambton Presbyterial United Church Women in 1998-1999. It was a priviledge to follow in her footsteps when she asked me to serve as a Vice-President. She led the committee that put Nativity In The Barn on in Wilkesport and we had a lot of good times putting that on. Rest in peace Marilyn. Wilma and Jim Johnson

“ Jerry and I send our deepest condolences to the entire Grant family. Marilyn was a great leader of our community and church and she was an excellent example of how we should all live our Christian lives. She could be very persuasive and she once talked me into being in a skit with her Grandson and others from the church (who she also persuaded), using a skit that she wrote herself. And when they were trying to get more women to attend the UCW meetings she offered to pick me up and take me every month. I grew to really love those meetings with her and the other ladies and I learned a lot. We didn't always agree but I knew that in the end it had to be done her way. :) She will be greatly missed.

To Marilyn family

So sorry for your loss. I worked many years ago with Marilyn at the Becher Women's Institute and as a 4H leader. She also volunteered at Sombra Museum baking blueberry pies for the museum annual Blue berry Social. I got to meet up with her again when she joined the Brigden quilt club. Marilyn and Charlie were both talented people and will be missed by the community.

“ David, Ian & Tina, Neil & Karen, Kerry and all the Grant family we are so very sorry to hear of your mom's passing. Not an easy time for anyone. I am sure she missed your dad so much after his passing. Whenever I would run into your mom and dad they always greeted you with a smile and had time to chat. Walking down the halls of East Sombra School and seeing Mrs Grant doesn't seem like it has been 45plus years ago, so hard to believe. She was a great teacher and a part of the community, she touched a lot of lives and I am sure had positive influence on many kids/people. She will be missed and remembered by many.
